Pride season is quickly approaching, which means lots of fun in the sun. While there are those of you, who have all your **Pride destinations** all planned out for the year, there are plenty others who love to travel last minute. Starting with this post, we at **Homorazzi.com** will be sharing with you our favorite **Pride Packages** we've uncovered this **summer**. No matter what part of North America you're in, we'll have a destination and deal that'll pique your interest. Our first destination is sunny Key West.

I was recently in the **Sunshine State** for the first time about a month ago and immediately fell in love. While I was in Fort Lauderdale and Miami, plenty of people kept telling me to check out **Key West**. Unfortunately, time didn't permit me to head there. Hopefully you'll have a chance to go and tell me all about it. The **Hyatt Key West Resort and Spa** is located within walking distance to the world famous Duval Street. The full service resort features 118 spacious rooms with private Gulf-view balconies. Sounds amazing. Here's what the Hyatt Key West is offering for **Key West Pride**. Best part of it is, even if you can't make it for the **June 8-12, 2011** festivities, the hotel is offering their special **Pride Package** for the **entire month of June**. Check it out below.

Pride Package: Promo Code KWPRI

Hyatt Key West Resort and Spa is offering a warm welcome for everyone to come and be part of the island's "One Human Family" in honor of the annual **Pride Festival** taking place June 8 - 12, 2011. During the entire month of June, guests can enjoy the hotel's exclusive **Pride Package**, which includes a full breakfast at SHOR Restaurant, 20 percent of all Jala Spa services and a late check out of 1 p.m. when guests book their stay with code **KWPRI**.

The Hyatt Key West Resort and Spa, also known as the "Sanctuary off Duval", is located within walking distance of all Pride festivities, yet far enough to enjoy the quiet and calming waters of the Keys. Guests can adventure through Key West and explore all the magic that the island has to offer and then return to a gorgeous sunset at the **Blue Mojito Bar**.

Visitors to the island can kick off the week by showing off their pride at the **Island House Kick Off Party** or by attending the **4th Annual AIDS Help Film Festival** on June 8. Later, guests can finish things off with **The Pride Parade Down Duval** on June 12. There is something for everyone to enjoy in the united city of Key West.
