

HYATT KEY WEST RESORT AND SPA **KEY WEST, FLORIDA**

Overlooking the Gulf of Mexico, **Hyatt Key West Resort and Spa** is a retreat that combines relaxed, Key West living with a plethora of modern accoutrements. Contemporary and classic island styles combine to give guests a true sense of Key West's history and playfulness. After a \$10-million renovation, the 119-room hotel offers something for just about everyone. Accommodations take advantage of the natural colors of the island by complementing them with beautiful greens and soothing beach neutrals, and each room has a balcony where you can relax and gaze across the turquoise waters. For pre- or post-day excursion dining, try SHOR American Seafood Grill, where they feature fresh catch-of-the-day fish and traditional island fare. Afterwards, meet and mingle with other guests at the Blue Mojito Bar and Grill, or sit outside to take in Key West's world-renowned sunsets. For visitors in search of some pampering, book a treatment at the Jala Spa, where local touches create a revitalizing experience. Once re-energized, you'll discover numerous activities nearby, including golfing, boating, scuba, and snorkeling. Rooms from \$400 in high season. 601 Front Street. Key West, FL.
