## ACTIVITIES FACT SHEET

---

The Tuscany Resort is ideally situated on the sun kissed Grace Bay Beach in Providenciales, Turks and Caicos. The area plays host to a wide array of off-site wet and wild activities that include deep sea fishing, snorkeling, boating and wind surfing. For more land based activities guests will enjoy horseback riding, golfing on world class greens, and exploring the island's caves. The resort arranges excursions so guests will have the opportunity to see everything the island has to offer.

### **Off-site water sports:**

Each year thousands of tourists visit the destination for diving and snorkeling. Best known for its spectacular 12 mile beach and waters with exceptional visibility, the Turks & Caicos Islands are surrounded by miles of coral reef that is home to a wide variety of marine life. Another wild and high flying adventure offered is parasailing that provides a spectacular view of Provo, and the coral reefs.

### **Bone Fishing:**

The idea of bone fishing is a novel one to travelers less involved in the sport. However this exciting sport is performed by spin casting or with fly rod. The silvery bonefish makes its homes in the shallow flats near mangroves. The practice of baiting hooks with conch and casting lines along the south shore banks is known as Bottom Fishing. It is an especially fun experience for kids where the common catch includes snapper, grouper, yellowfin, and parrotfish.

### **Golf:**

Teeing off is just that simple. The resort is located with in walking distance to Provo's only golf course – the Provo Golf & Country Club, designed by Karl Litten. Consistently voted one of the best golf courses in the Caribbean, Provo Golf Course's 18-hole course is beautifully maintained and is a luxurious tropical oasis with a magnificent blend of lush greens and fairways.

### **Horseback Riding:**

Horse back riding on the beach is considered an experience not to be missed during your visit to Turks & Caicos. With riding times between the hours of 9:30 am and 4:30 pm each day, Provo Ponies provides animals for all skill levels and will conclude the equestrian experience with a ride along Long Bay Beach.

### **Conch Farm:**

The world's only conch farm highlights the life of the local mollusk through out its tour. Each conch is more than seven years old and will

emerge from its shell for human contact. The conch farm tour is a unique experience, especially for children and naturalists that also ends with the farm's featured entertainers, Sally and Jerry.
